Greetings, Promotional fund applicants.

It's soon time for the 2019 Annual Meeting of the WWGA Women's Auxiliary at the Washington State Sheep Producers Convention. Our meeting is at 7:00 AM, Friday morning November 8, 2019. Hope you can join us in Vancouver WA.

At a recent executive board meetings we made some changes to the application and the process, please note the change in the due date.

Your application needs to be received by the last day of September prior to our annual meeting. The executive board will review the applications, and the awards will be announced at the annual meeting. Applications will not be accepted at the annual meeting. We hope this will leave more time for other business and education at the annual meeting.

Send your applications to the mailing address above or email them to lovetaboyce@gmail.com. The applications will be forwarded to the members of the board. We appreciate your support in these changes.

We are excited to receive the reports of your promotion and education activities of this past year. Please send them with your application for this years funding. We would like to make a display of your efforts. Thanks.

We extend our thanks to the many volunteers who make it possible to have these excellent programs across the state. The contributions from WWGA Auxiliary come primarily from the lamb burger booth at the Yakima Fair. Stop in and support this effort. Even better, call Carol Martinez (509) 949 8882, and sign up to work a shift.

Thank you for your contributions to the sheep industry programs of our state. Please do not hesitate to contact us if you have additional questions.
