2019 Ram and Ewe Sale

SATURDAY, JULY 13, 2019
Sale 1:30 p.m.

AUCTIONEER: Luke Womochil

GRANT COUNTY FAIRGROUNDS
MOSES LAKE, WASHINGTON
2019 Rules and Terms

(Note: For a full set of rules, see http://www.wssp.org)

- Rams 6 months and older must test negative for B. Ovis within 30 days of the sale. Health certificates for out-of-state movement will be provided, upon request, by the WSSP Ram & Ewe Sale. All rams and ewes coming from out-of-state must have a health certificate.

- Terms of sale shall be cash or check in US funds. All payments shall be made to WSSP. Animals shall not be released until the Sale slip is presented to the gate tender. Sheep must be loaded on the east side of the building, at the chutes, once the sale has ended.

- Mail bids will be accepted. Send to WSSP, P.O. Box 213, Tenino, WA 98589.

- All sheep on the grounds will be held at the owner's risk, and ownership is passed to the buyer when the animal is pronounced sold by the auctioneer. All animals must be removed from the sale grounds by 5:00 p.m. the day of the sale.

- Floor price for yearling rams shall be $500, and the floor price for ram lambs shall be $300. Yearling ewes shall be floored at $300 and ewe lambs at $225.

- Misunderstandings or disputes as to the bids will be settled by the auctioneer.

- All yearling animals sold as registered rams or ewes are guaranteed to be breeders for the fall breeding season. Any claims of non-breeders must be made by the buyer before the first of April following the sale. The seller has the right to have any such ram (claimed to be a non-breeder) returned to him and if he cannot prove the ram to be a breeder, he shall refund the purchase price to the purchaser or make replacement of equal quality. If the consignor’s claim is disallowed, he agrees to pay the expenses of judgment. The buyer agrees if his claim is disallowed to pay the expenses of the investigation. If the ram is shown by the buyer at any fair or show of any kind, the fertility guarantee by the breeder is waived.

- A thorough sifting process will take place Friday, July 12th. All animals will be inspected for soundness, acceptable breed type, and rams will be measured for scrotal circumference. The management reserves the right to announce any defects as found by the sifting committee before the entry is sold. The management assumes no liability for the safety of the entries. All sifted animals must be removed from the pen area immediately following sifting.
